3. Contract No. SC-990 obligated \$143,448.09 to cover the work authorized. This Amendment adds \$59,442.47 of AQUATONE 1958 Funds, and \$12,467.32 chargeable during Fiscal Year 1958 to Air Force "No Year Funds". This results in an estimated contract cost (including fee) of \$215,357.88. By concurrence to this memorandum the Project Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
